

REPUBLIC OF THE PHILIPPINES
NATIONAL DISASTER RISK REDUCTION AND MANAGEMENT COUNCIL

National Disaster Risk Reduction and Management Center, Camp Aguinaldo, Quezon City, Philippines

NDRRMC UPDATE

**SitRep No. 07 re Preparedness Measures and Effects of
Tropical Storm "KABAYAN" (I.N. MUJIGAE)**

Releasing Officer:

USEC ALEXANDER P. PAMA
Executive Director

DATE : 04 October 2015, 8:00 PM

Sources: DOST-PAGASA, PNP, NCGP, DepEd, DSWD, PCG, DILG, DOST-Project NOAH and OCDRCs I, II, III, IV-A, IV-B, V, VI, NCR, and CAR

I. SITUATION OVERVIEW

The Low Pressure Area (LPA) east of Visayas developed into a Tropical Depression on 01 October 2015 and was named "KABAYAN". On the same day, it intensified into a Tropical Storm (TS) and was given an international name MUJIGAE. "KABAYAN" is the 11th tropical cyclone which entered the Philippine Area of Responsibility (PAR) this year.

It made landfall over Aurora on 01 October 2015 and tracked across Central Luzon. It left the Philippine land mass through Pangasinan and finally exited the western border of the PAR in the early morning of 03 Oct 2015 as a Severe Tropical Storm or STS.

During the passage of "KABAYAN", PSWS No. 02 was the highest storm warning signal hoisted, with highest maximum sustained winds recorded at 95 kph near the center, gustiness of up to 120 kph, and highest 24-hour rainfall amount of 134.0 mm which was recorded in Iba, Zambales. "KABAYAN" stayed in the PAR from 01 to 03 October 2015 and enhanced the Southwest monsoon that brought light to moderate rains and isolated thunderstorms over Luzon and western sections of Visayas and Mindanao.

II. EFFECTS

A. INCIDENTS MONITORED (TAB A)

1. A total of **15 incidents were monitored** – two (2) landslides, one (1) flooding, two (2) vehicular accidents, and ten (10) maritime incidents

B. CASUALTIES (TAB B)

1. A total of **two (2) persons were injured in Region I**. While, **(63) fishermen went missing in Regions I and III**; of which, **37 were already rescued**.

C. AFFECTED POPULATION

1. A total of **4,565 families or 22,368 persons** are affected in the Provinces of La Union, Aurora, Bulacan, Nueva Ecija, and Zambales. Of which, 1,391 families or 6,480 persons are being served in 7 evacuation centers:

REGION / PROVINCE	NUMBER OF AFFECTED			No. of ECs	NUMBER OF EVACUATED			
	Brgys	Fam	Per		Inside ECs		Outside ECs	
					Fam	Per	Fam	Per
REGION I								
La Union	2	3	15	-	-	-	-	-
REGION III								
Aurora	4	229	1,374	-	-	-	229	1,374
Bulacan	5	213	1,052	1	18	90	-	-
Nueva Ecija	39	4,117	19,913	5	1,370	6,376	-	-
Zambales	1	3	14	1	3	14	-	-
TOTAL	51	4,565	22,368	7	1,391	6,480	229	1,374

D. SUSPENSION OF CLASSES (TAB C)

1. Classes were suspended in some areas in Regions I, II, III, IV-A, NCR, and CAR on 02 October 2015.

E. FLOODED AREAS (TAB D)

1. A total of **48 barangays are still flooded** in the Provinces of Pangasinan, Bulacan, Nueva Ecija, and Pampanga

F. STATUS OF LIFELINES

1. Roads and Bridges (TAB E)

- a. A total of twelve (12) roads and two (2) bridges are rendered not passable due to flooding and landslides in Regions III and CAR.

2. Power Supply (TAB F)

- a. Power outage is still being experienced in some areas in the Provinces of Pangasinan, Aurora, and Benguet.
- b. **On 03 October 2015, 90% of power was restored in Baguio City and in the Province of Benguet.**

G. COST OF DAMAGES

1. A total of **₱1,120,716.59** estimated cost of damages to agriculture was reported in the Provinces of Pangasinan (₱4,101.34) and Aurora (₱1,116,615.25).

H. DAMAGED HOUSES

1. A total of **131 houses were damaged** (27 totally and 104 partially damaged) in Region III:

PROVINCE	NUMBER OF DAMAGED HOUSES		TOTAL
	TOTALLY	PARTIALLY	
Aurora	27	101	128
Nueva Ecija		3	3
TOTAL	27	104	131

I. COST OF ASSISTANCE

1. A total of **₱685,210.00** worth of relief assistance were provided in the provinces of Aurora, Bulacan and Nueva Ecija:

REGION/PROVINCE/ MUNICIPALITY/CITY	DSWD	LGU	TOTAL
Aurora	-	₱46,360.00	₱46,360.00
Bulacan	-	₱225,000.00	₱225,000.00
Nueva Ecija	₱54,000.00	₱359,850.00	₱413,850.00
GRAND TOTAL			₱685,210.00

III. DISASTER PREPAREDNESS

A. NATIONAL / NDRRMC

1. NDRRMC Operations Center (NDRRMOC)

- a. Alert status at the NDRRMC Operations Center was raised to Blue Alert Status effective 01 October 2015, 3:00 PM, to continuously monitor and ensure dissemination of Weather Advisories, 24-hour Public Weather Forecasts, Gale Warnings, and General Flood Advisories to all RDRRMCs/OCDCs through SMS, facsimile, and websites for further dissemination to their respective Local Disaster Risk Reduction and Management Councils (LDRRMCs) from the provincial down to the municipal levels.

- b. Pre-Disaster Risk Assessment (PDRA) Meeting was conducted on 01 October 2015, 2:00 PM and 02 October 2015, 8:00 AM at the NDRRMC Conference, Camp General Aguinaldo, Quezon City.
- c. Directed OCD Regional Centers I, II, III, IV-A, IV-B, V, VI, NCR, and CAR to conduct PDRA Meeting and raise respective alert levels corresponding to the forecast situation in their respective AORs to ensure the execution of preparedness actions and coordination with concerned agencies.
- d. Issued and disseminated a memorandum to DOST-PAGASA, AFP, PNP, PCG, BFP and DOST-Project NOAH requiring the agencies to send their Detailed Duty Officers (DDOs) to render duty at the NDRRMOC to ensure continuous coordination and to assist in facilitating the submission of consolidated preparedness measures of their respective agencies.
- e. Sent DOST-PAGASA and DOST-Project NOAH presentations to concerned regions.

2. Department of Science and Technology

Philippine Atmospheric, Geophysical and Astronomical Services Administration (PAGASA)

- a. Monitored the situation and disseminated Weather Advisories, Severe Weather Bulletins, Gale Warnings, General Flood Advisories, Dam Monitoring, and 24-hour Public Weather Forecast.

PAGASA CAR

- a. Presented the current weather situation and forecast for CAR and emphasized that TS "KABAYAN" might enhance the southwest monsoon.

PAGASA VI

- a. Provided a briefing on the status of TS "KABAYAN", emphasized that there is a possibility of rainfall in Guimaras and Northern Panay, and light to moderate, at times, heavy rains are expected until 02 October 2015 and cloudy to light rains on 03 October 2015.

Project Nationwide Operational Assessment of Hazards (Project-NOAH)

- a. Monitored near-real time information coming from Doppler radars, automated rain gauges, weather station, and stream gauges.
- b. Observes continuous rainfall and sharp increases in river water levels and forwards information to NDRRM Operations Center for further validation and dissemination.

DOST IV-A

- a. Utilized Project HANDA text blast system for continuous dissemination of weather advisories to RDRRMC IV-A member agencies, LCEs, and local DRRMOs.

3. Department of Interior and Local Government (DILG)

- a. Directed DILG Regional Offices through Central Office Disaster Information Coordinating Center (CODIX) to activate their respective Disaster Monitoring Systems effective immediately and ensure that LDRRMCs are actively doing actions as suggested in Operation Listo and to prepare people especially those living in low-lying and/or landslide prone areas, highways, and river banks.
- b. Advised Provincial Directors, City Directors, and City/Municipal Local Government Operations Officers to coordinate closely with Local Chief Executives, Chief of Police, and Fire Marshalls to ensure their readiness to provide first response in case of emergencies and disasters.

DILG I

- a. Disseminated Weather Advisories/Bulletins to P/C/MDDRMCS.
- b. Coordinated with DILG Provincial Offices for TS "KABAYAN" updates.
- c. Submitted situational reports to DILG CODIX every 12 hours.

- d. Disseminated Memo List of Areas with 100mm and above accumulated rainfall and activation of Disaster Monitoring Systems to the Provinces of Ilocos Norte, Ilocos Sur, La Union, and Pangasinan.
- e. Showed the Hotdog Forecast and Potential Areas Risk for TS "KABAYAN".
- f. Activated DILG Region I Operations Center

DILG III

- a. Issued advisory on activation of Disaster Operations Center for Tropical Storm "KABAYAN" and advised to observe existing Disaster Preparedness Protocols and proper Proof of Service under Operation Listo.
- b. Activated Regional Operations Center effective at 4:00 PM, 01 October 2015.

DILG IV-A

- a. Issued advisories to all DILG provincial and city directors, cluster officers, Municipal Local Government Operations Officers (MLGOOs), and Local Chief Executives (LCEs) to activate their respective monitoring systems and advised all LDRRMCs to undertake precautionary measures for the possible effects of the tropical depression.
- b. Alerted all provincial, city, and municipal offices to activate their skeletal forces and closely coordinate with LCEs, chief of police, fire marshals, and other concerned authorities for strict enforcement and protocols.
- c. Directed all field officers to ensure that LDRRMCs are actively doing actions suggested in Oplan Listo.

DILG V

- a. Released advisory to all provincial directors, cluster heads, and MGGO focal persons to ensure safety of their respective constituents particularly in low-lying areas and landslide-prone areas.

DILG VI

- a. Placed their Operations Center on alert status.
- b. Alerted all field offices to coordinate closely with LGUs.

DILG CAR

- c. Ensured close coordination with the Local Government Units (LGU).
- d. Issued memorandum for the activation of the LDRRMCs and prepare for the possible impacts of TS KABAYAN in their AOR with the guidance of Oplan Listo.

4. Department of Social Welfare and Development (DSWD)

- a. A total of ₱34,708,041.29 standby funds, 148,772 family food packs and ₱71,059,538.43 worth of food and non-food items are made available at the field offices in affected regions since 25 September 2015:

REGION	STANDBY FUNDS	STOCKPILE COSTS			
		Family Packs		Food	Non-Food
		Quantity	Total Cost	(Value in ₱)	(Value in ₱)
TOTAL	34,708,041.29	148,772	53,350,492.68	29,336,259.45	41,723,278.98
NCR	3,030,605.00	18,355	6,767,488.50	2,069,683.16	1,454,343.50
CAR	5,679,968.18	17,416	6,601,534.24	2,070,120.91	1,843,046.62
I	2,893,064.17	8,612	2,825,455.00	1,060,960.00	1,548,894.20
II	3,001,156.73	26,177	9,161,950.00	261,557.88	144,878.56
III	3,633,291.16	4,439	1,412,834.54	114,772.64	8,916,353.78
IV-A	2,956,673.55	9,323	3,510,109.50	1,343,658.92	5,148,767.84
IV-B	4,698,782.50	8,088	2,647,467.90	5,140,792.94	1,170,940.61
V	3,088,000.00	28,465	11,556,790.00	6,757,400.00	20,350,752.42
VI	5,726,500.00	27,897	8,866,863.00	10,517,313.00	1,145,301.45

DSWD I

- a. Placed Quick Action Response on standby status.

- b. Monitors the inventory of stockpile and prepositioned goods.
- c. Prepositioned Non-Food Items (NFIs) amounting to ₱4,122,237.00.
- d. Organized Social Welfare and Development (SWAD) Teams.

DSWD II

- a. Alerted all SWAD Teams and Disaster Monitoring and Response Teams (DMRT)
- b. Continuously coordinated with partner agencies.
- c. Continuously monitored of regional situation.
- d. Made available standby funds amounting to ₱5,076,606.73.
- e. Has a total of 37,592 family food packs available in the region.
- f. Prepositioned 340 sacks of NFA rice, 55 boxes of sardines, 95 boxes of meatloaf, 95 boxes of sausage, and 91 boxes of corned beef readily available in the Province of Batanes

DSWD III

- a. Activated Regional and Provincial Quick Response Teams (QRTs).
- b. Prepositioned food packs in the region, especially in the Province of Aurora.

DSWD IV-A

- a. Alerted all Regional QRTs, SWAD Officers, provincial and municipal links, and Project Development Officers (PDOs) of Pantawid Pamilya Program.
- b. Advised all SWAD teams to monitor their respective AORs.
- c. Ensured the availability of Food and NFIs (F/NFIs) for augmentation to LGUs as need arises.
- d. Coordinated with DepEd for possible activation of evacuation centers.
- e. Prepositioned F/NFIs amounting to ₱13,004,699.41 in DSWD warehouse in GMA, Cavite.

DSWD IV-B

- a. Activated the Field Offices' Crisis Intervention/QRTs to monitor the situation.
- b. Placed members of the Regional QRTs and SWAD teams on standby.
- c. Prepositioned F/NFIs in geographically isolated depressed areas.

DSWD V

- a. Made standby fund amounting to ₱3,039,000.00 available
- b. Prepositioned 30,000 family food packs.
- c. SWAD Teams are on standby alert for possible response.

DSWD CAR

- a. Prepositioned goods per provinces aside from the family packs that are already prepositioned in the regional office.
- b. Made 17,416 family packs available for distribution.
- c. Assisted PDRRMCs in the prepositioning of local goods.
- d. Ready for any emergency purchase requirements.

DSWD NCR

- a. Continuously coordinated with LGUs and MMDA for possible relief operations.

5. Department of Health (DOH)

Health Emergency Management Bureau (DOH-HEMB)

- a. On Code White Alert Status.
- b. Total of ₱44,200,780.90 worth of logistics is made available for augmentation.

DOH I

- a. Raised status of their Operations Center to "Code Red".
- b. Ensured cluster heads are ready for deployment and for the provision of technical assistance and logistics.
- c. Allocated assorted drugs and medicines to the Provincial DOH Offices (PDOHOs) in the region with a total amount of ₱1,260,173.12.
- d. Stockpiled drugs and medicines of PDOHOs and DOH Regional Office Warehouse with an estimated amount of ₱2,620,108.41.

- e. Placed three (3) DOH retained hospitals on stand-by namely: Ilocos Training and Regional Medical center, Region 1 Medical Center, Mariano Marcos Memorial Hospital and Medical Center.

DOH III

- a. Prepositioned assorted medicines including hygiene kits worth ₱1,629,211.85.
- b. Prepared 20 vials of anti-venom drugs ready for disposal once need arises.

Center for Health Development (CHD) IV-A

- a. Placed all health personnel and medical teams on standby.
- b. Ensures the availability of medicine and medical supplies to all DOH Extension Office in the region.

DOH IV-B

- a. On Code White Alert status.
- b. Conducted inventory of resources and prepositioned drugs and medicines in PDOHOs.

DOH V

- a. On Code White Alert Status.
- b. Enjoined DOH-Retained Hospitals, PDOHOs, HEMS point person, and provincial HEMS coordinators.

DOH CAR

- a. Activated Operations Center on a 24/7 basis.
- b. Activated their Early Warning System (EWS) focusing on information dissemination.
- c. Prepared the inventories of their medical supplies.

6. Department of Public Works and Highways (DPWH)

DPWH I

- a. Activated the Regional and District Engineering Offices (DEOs)
- b. Conducted clearing operations in the landslide area in Barangay Ligaya, Gabaldon, Nueva Ecija.

DPWH II

- a. Activated all DEOs for possible operations.
- b. Prepositioned all available/operational equipment and operators including inspectors to the landslide-prone areas identified by concerned DEOs.
- c. Placed Disaster Risk Reduction Management Team on alert status.

DPWH IV-A

- a. Activated DRRM teams in all district offices in the region.
- b. Placed all heavy equipment and assets on standby.
- c. Continuously monitors the status of national roads and bridges in the region.

DPWH IV-B

- a. Activated the Motor Vehicle User Charge (MVUC) workers and maintenance crew to monitor the condition of national roads and bridges and other infrastructures.

DPWH CAR

- a. Prepositioned heavy equipment and crew to landslide prone areas.
- b. Activated contractors to augment on the possible disaster response operations.
- c. Placed equipment on standby for immediate clearing operations along Kennon Road.
- d. Advised to close Kennon road should two (2) hours of continuous rains occurs.

7. Department of Education (DepEd)

- a. DepEd DRRMO coordinated with field offices re the reports on the suspension of classes.

- b. DepEd DRRMO alert DepEd local officials to undertake precautionary measures in preparation to TS "KABAYAN".

DepEd IV-A

- a. Ensures the availability of schools that can be utilized as evacuation centers.
- b. Activated their operations center to monitor weather updates and disseminate to all school heads.

8. Department of Environment and Natural Resources (DENR)

DENR IV-A

- a. Disseminated advisories to LDRRMCs with areas susceptible to landslide and flooding.
- b. Ensures the availability of chainsaws to support LGUs and response agencies for trimming of trees and for possible clearing operations.

Mines and Geosciences Bureau (MGB) I

- a. Activated the MGB-I Operations Center.
- b. Provided advisories on the list of landslide/erosion/flood-prone areas in all municipalities in the region.
- c. Distributed IEC materials such as posters, brochures/flyers, hand-outs, maps (soft and hard copies) to LGUs, students, clientele, etc.
- d. Advised mining companies to monitor their Mine Waste dumps and siltation ponds.

MGB III

- a. Issued landslide advisories to all landslide-prone areas.

MGB IV-A

- a. Advised LDRRMCs to make proactive action, including evacuation measures in landslide and flood-prone areas.
- b. Recommended LGUs to re-assess the identified evacuation center to ensure the safety of it.

MGB VI

- a. Issued flood and landslide warning in certain areas of Panay and Antique.

MGB CAR

- a. Issued advisories to all concerned LGUs encouraging pre-emptive evacuation of residents in high-risk areas and released advisories for temporary suspensions of small scale miners to avoid accidents.

9. Department of Agriculture (DA)

DA IV-A

- a. Activated their Quick Response Center to closely monitor the weather situation in the region.
- b. Advised farmers to harvest crops and to secure agri-inputs and livestock.

10. Department of Tourism (DOT)

DOT IV-A

- a. Directed industry partners to take precautionary measures to ensure the safety and security of their guests and properties.
- b. Made an appeal to tourists and visitors in the region to avoid going to hazard prone areas.

11. Armed Forces of the Philippines (AFP)

- a. Monitored the tropical storm and continues to monitor the areas that are prone to landslide and flooding for the conduct of pre-emptive evacuation, proactive measures, and HADR operations in coordination with LGUs and LDRRMCs.

Southern Luzon Command (SOLCOM)

- a. Placed personnel and equipment on standby for possible conduct of Humanitarian Assistance and Response (HADR) operations.
- b. Identified strategic areas for prepositioning of quick response Disaster Response Operations (DRO) teams.
- c. Directed Operational Command (OPCOM) units to alert DRRO assets and initiate coordination with LDRRMCs.
- d. Ensured the availability of vehicles and air assets.

Philippine Air Force (PAF) – Tactical Operations Group (TOG) 5

- a. Placed Disaster Response Teams (DRTs) on standby.

PAF – TOG 1

- a. Placed all available air assets and response teams on standby.

Philippine Navy (PN)– TOG

- a. Monitored the tropical storm.

PN I

- a. Declared Red Alert status on 01 October 2015, 4:20 PM.
- b. Directed to submit situational reports every four (4) hours.
- c. Prepared surface assets for possible deployment.

203rd Brigade

- a. Alerted DRO platoons of 4IB, 76IB, and 203rd Brigade for deployment in case of flood and landslide.

503rd BDE, 50th IB and 54th IB

- a. Activated disaster response teams and prepared disaster response equipment.
- b. Established links and prepositioned assets to provinces issued with PSWS.
- c. Activated the emergency communication equipment.

12. Philippine National Police (PNP)

Directorate for Police Community Relations

- a. Directed Police Regional Offices (PROs) I, II, III, IV-A, V, and Cordillera Region to undertake precautionary measures and disaster preparedness activities:
 - Advise first responders to secure their respective families before disaster strikes
 - Strengthen resilience of emergency telecommunications
 - Ensure readiness of the Search, Rescue, and Retrieval (SRR) equipment and supplies to support operational requirements
 - Reinforce the police stations /offices
 - Preposition Search and Rescue (SAR) assets
 - Coordinate with local DRRMCs
 - Activate the Disaster Incident Management Task Group (DIMTG) as situation may require

PRO I - PPO/CPO/CPS Ilocos Norte, Ilocos Sur, La Union, and Pangasinan

- a. Activated Disaster Incident Management Task Group (DIMTG) effective 1:00 AM, 02 October 2015.
- b. Alerted all SAR trained personnel to be ready for deployment.
- c. Strengthened resilience of emergency telecommunication and police station/office to ensure it can withstand strong winds.

PRO II

- a. Forewarned Police Provincial Offices.
- b. Disseminated Weather Advisories/Bulletins.
- c. Prepositioned their disaster response teams in disaster-prone and low-lying areas.
- d. Advised fishing boats and other small sea crafts not to venture out into the seaboard.

PRO IV-A

- a. Directed all provincial directors, Chief of Police to prepare assets for possible deployment, coordinate with LDRRMCs and other force multipliers, and to activate their respective Disaster Operations Center.
- b. Placed Regional Public Safety Battalion (RPSB) SAR personnel on standby.
- c. Alerted SAR teams and other PNP personnel for rapid deployment.
- d. Prohibition of sailing/fishing due to adverse weather condition.
- e. Heightened security of sea ports where there are stranded passengers.

PRO IV-B

- a. Continuously monitors and coordinates with RDRRMC.
- b. Placed SAR teams on standby alert for possible deployment.

PRO V

- a. Attended the PDRA meeting on 30 September 2015 and 01 October 2015 held at Handyong Hall, OCD V, Legaspi City presided by the OCD V Regional Director.
- b. Directed all Police Provincial Offices (PPOs) and Naga City Police Office to prepare and place SAR personnel and equipment on standby and coordinate with their respective Provincial and City DRRMCs for possible SAR operations in their respective AOR.
- c. PNP Daet placed Search and Rescue Team on standby for possible deployment.

PRO COR

- c. Issued memorandum to activate LGUs operation centers.
- d. Maintains coordination with LDRRMCs for any untoward incidents.
- e. Advised all provincial offices to submit situational reports from time to time.
- f. Regional Public Safety Battalion (RPSB) on standby alert and ready for deployment.

Catanduanes PPO

- a. Alerted all personnel, Philippine Public Safety College (PPSC), and the eleven (11) Municipal Police Station (MPS), and directed their respective SAR focal person to coordinate with their local DRRMCs and put their respective Disaster Risk Reduction and SAR personnel and equipment on standby on 01 October 2015.

13. Philippine Coast Guard (PCG)

- a. Advised all units to ensure strict implementation of HPCG Memorandum Circular Number 02-13 (Guidelines on Movement of Vessels during Heavy Weather).

PCG NCR and Southern Tagalog (STL)

- a. Instructed Coast Guard Stations (CGS) to undertake necessary preparations and ensure readiness of rescue assets.
- b. Provided weather updates to all PCG units to warn small boats and fishermen regarding the sea condition.

CGD North Eastern Luzon (CGDNELZN)

- a. On heightened alert status for 24/7 manning of respective command centers.
- b. Closely monitored possible maritime incidents within their AOR.
- c. Coordinates with all stations, sub-stations, fisherfolks, and Barangay Captains along coastal areas within AOR.
- d. Continuously disseminates latest weather bulletins and gale warnings.
- e. Advised all small motor banca/fishing banca not to venture out at sea.

CGD Northwestern Luzon (CGDNWLZN)

- a. Placed all district operations center in their AOR on standby.
- b. Placed all WASAR teams in their AOR on standby.
- c. Activated District Crisis Management Council (DCMC) and response assets.
- d. Conduct information drive (Paalala sa Mangingisda/MC No. 01-09 Guidelines on Movement of Vessels during heavy weather).

CGD Palawan

- a. Placed rescue boats and other equipment on standby.
- b. Advised all stations and sub-stations to ensure strict implementation of Guidelines on the movement of vessels during heavy weather.

14. Bureau of Fire Protection (BFP)

- a. Directed all Regional Offices to activate their respective stations and to ensure the availability of fire, rescue, emergency, and medical personnel, apparatus, and auxiliary units.

BFP I

- a. Directed all personnel to be ready to extend assistance in case of emergency.
- b. Instructed to formulate contingency measure and proactive in coordination with LGUs and DRRMC member agencies.
- c. Directed personnel to conduct "Ugnayansa Barangay".

BFP II

- a. Rescue units on Alert Status.
- b. Directed all Fire Stations closely monitor/coordinate with local DRRMCs, AFP, and PNP for any pre-disaster, during, and post-disaster operations.

BFP III

- a. Activated CONPLAN Paghahanda Laban sa Sakuna (PAGHALASA).
- b. Alerted all stations for possible rescue and response activities.

BFP IV-A

- a. Alerted all provincial, city, and municipal fire stations to assist LDRRMCs.
- b. Ensures regular coordination to LGUs .
- c. Directed all stations to report any untoward incidents to LDRRMC Operations Center.
- d. Ensures the availability of fire/rescue and medical personnel, apparatus and auxiliary units in strategic locations.

BFP IV-B

- a. Operations Center downgraded its status to normal alert.
- b. Alerted all stations for possible rescue and response activities.
- c. Activated its SAR team.

BFP V

- a. On heightened alert status as of 30 September 2015.
- b. Directed all Provincial Fire Marshalls to:
 - i. Ensure prompt and effective delivery of basic fire safety, rescue, and emergency services
 - ii. Ensure that required actions contained in the DILG OPLAN LISTO Disaster Preparedness Manual Checklists will be properly undertaken.

BFP CAR

- a. All personnel are on standby and continuously coordinates with line agencies for possible augmentation.

15. Bureau of Fisheries and Aquatic Resources (BFAR)

BFAR I

- a. Activated their Command Center.
- b. Advised all Provincial Fisheries Offices (PFOs), division chiefs, station heads, project leaders to secure people, facilities, and projects within their AOR.
- c. Advised Response Group / QRTs to be on alert and prepare vehicles and floating assets for deployment.

BFAR IV-A

- a. Advised fisher folks and fishing vessel operators not to venture into fishing activities and seek advise from NAMRIA, PCG, and other authorities.
- b. Advised fish pond owners to harvest.

16. Philippine Information Agency (PIA)

PIA I

- a. Assured assistance in providing relevant and timely information to the public.

PIA II / Radio ng Bayan

- a. Continuously disseminates Weather Advisories/Weather Bulletins to P/MDRRMC Member Agencies.

PIA IV-A

- a. Continuously disseminates weather advisories and warning alerts to the public through text blast system, social media, and various media outfits.
- b. Instructed provincial directors to closely coordinate with LDRRMCs and local information officers.

PIA CAR

- b. Intensified the information dissemination regarding TS "KABAYAN" to the public and other media outfits.

17. National Grid Corporation of the Philippine (NGCP)

- a. Ensures the reliability of communication equipment.
- b. Ensures the availability of hardware materials and supplies necessary for the repair of damages to facilities.
- c. Positioned line crews in strategic areas to facilitate immediate restoration work.
- d. Monitors all power activities, reports, and updates regarding the weather disturbance.

18. Philippine Red Cross (PRC)

- a. PRC NHQ on Alert Level I. Alerted all chapters by disseminating PAGASA weather bulletins.

PRC I

- a. Activated Chapter Emergency Communication Center.
- b. Activated and alerted to RC143 Municipal Coordinators, BDAT Team Leaders, CHVs, and Chapter Staff.
- c. Advised ERU Medics and WASAR team to be on-call.

B. REGIONAL / RDRRMC

RDRRMCs/OCDRCs I, II, III, IV-A, IV-B, V, VI, NCR, and CAR continuously disseminated weather advisories to RDRRMC member-agencies, P/C/MDRRMCs, and local media (radio stations) through OCDRC Infoboard Text Blast System, and upload the same to social accounts to effectively ensure public safety and achieve zero-casualty; alerted and closely coordinates with all PDRRMCs and RDRRMC member-agencies for possible rescue, relief, and other response operations relative to the weather disturbance; and continuously monitors the situation in their respective AORs.
